

UBC Workplace Experiences Survey

2021 WES report for:

**Department of Anesthesiology, Pharmacology and
Therapeutics | Faculty of Medicine | Provost and VP
Academic (Roanne Preston)**

Staff responses

SURVEY PERIOD: NOVEMBER 2021

THE UNIVERSITY OF BRITISH COLUMBIA

2021 WES REPORT:

The UBC Workplace Experiences Survey (WES) was run from November 1 to 19, 2021. Over 6,300 faculty and staff participated in the survey, and shared feedback on their experiences of UBC as a workplace. The survey findings can be used to help shape strategic planning and initiatives at both UBC-wide and at the unit levels.

The report contains 11 survey dimensions: collaboration, communications, health & wellbeing, immediate unit head/manager, inclusion & respect, innovation, professional growth, student focus, UBC's senior leadership, work environment, and work/life integration.

The 2021 WES results show that the key drivers of engagement for staff overall are:

1. Professional Growth
2. Inclusion & Respect
3. UBC's Senior Leadership

Reading your report

Each portfolio/unit is different and your survey results should be used as a conversation starter.

- **% Unfavourable:** represents the respondents who chose "Strongly Disagree/Disagree".
- **% Neutral:** represents the respondents who chose "Neither Agree nor Disagree".
- **% Favourable:** represents the respondents who chose "Strongly Agree/Agree".

Generally, a % Favourable of 70 or above is considered good, a % Favourable in the 60s is acceptable, and a % Favourable lower than 60 would indicate the need to investigate further. Note: % unfavourable, % neutral, and % favourable scores are rounded to the nearest whole number, and may add up to 99% or 101%.

- **+/- Overall:** refers to your portfolio's % Favourable score that is above (+) or below (-) UBC's overall % Favourable for that attribute.

Your sample size: 25

Your response rate*: 64%

* Response rates are calculated by dividing the number of completed surveys by the headcount (as of October 15, 2021).
