

BSc Pharmacology Program Admission – Standard Application Form

To be considered for the Pharmacology specialization, please complete the checklist, and contact the Pharmacology Undergraduate Secretary (anae-pcth.ugmscphd@ubc.ca) no later than the first term of year 2. The Secretary will make arrangement for you to see the Undergraduate Advisor.

Student name: _____ Student number: _____

Email address: _____ Phone: _____

Students interested in pharmacology take a basic science program in year 1 and 2, and are interviewed by the Undergraduate Advisor as part of the selection process for year 3.

Use the tables below to indicate pre-requisite courses you have already completed, are presently taking, or have taken at other institutions; there is space available for clarifying comments or to list specific courses. Please visit the UBC Calendar for information about BSc Pharmacology requirements (<https://www.calendar.ubc.ca/vancouver/index.cfm?tree=12,215,410,433>).

Year 1	Credits	Check	Comments (e.g. in progress, transfer credit)
Communication requirement	6		
BIOL 112, 121	6		
CHEM 121 (141, 111) and 123	8		
MATH 100 (102, 104)	3		
MATH 101 (103,105)	3		
PHYS 100 level	3		
Electives			
Total Credits			

Year 2	Credits	Check	Comments (e.g. in progress, transfer credit)
BIOL 200	3		
BIOL 201 or BIOC 202 (BIOC 203)	3

CHEM 233, 235	4		
MICB 211	3		
PCTH 201	3		
BIOL 300 (STAT 200)	3		
Electives			
Total credits			

Admission preference is primarily based on academic performance in prerequisite courses in year 1 and 2, and completion of at least 60 credits in the winter sessions of both year 1 and 2. You will be notified upon successful admission to the BSc in Pharmacology specialization. Enrollment of third year pharmacology courses will be made by the Undergraduate Advisor.
